

Latest Show Date of CIOF 2021, The 33rd China International Optics Fair
20-22/10/2021

Dear exhibitors,

As the COVID-19 epidemic situation begins to wane in China, massive activities like exhibition events can now be resumed in a gradual and orderly manner.

Following discussion with the management of the exhibition center, The 33rd China International Optics Fair (CIOF2021) has been **rescheduled to run from 20 to 22 October 2021** at the China International Exhibition Center. The event was originally scheduled for September 8 - 10.

Exhibitors, buyers and contractors are advised to advance arrangement and planning, to prepare for participation.

We must also take this opportunity to thank you for all your full and continuous support and understanding.

Wish you all the best and good health.

Organizing Committee of the 33rd China International Optics Fair
